Spend a day sailing on board the yacht "Sea Essay" with the Channel Sailing Division of the CSSA (CSSC's Sailing arm).

For 50 years the CSSA has provided CSSC members the opportunity to participate in this sport at an affordable cost.

"Sea Essay" is a modern well equipped boat, featuring all the latest marine gadgets such as satellite navigation and RADAR.

She also carries a full compliment of safety equipment which far exceeds that which is required by law.

No previous experience necessary just soft shoes.
